### LOCAL HAPPENINGS'

ARNES FARMER'S MARKET-  
open Saturday & Sunday 10-2

Check out the WAVE Artist's Studio Tour on facebook or instagram

I'm sure you have all heard by now, but the water most likely won't be turned on this weekend. Some areas are still frozen. 59 years of history and this wasn't a record we wanted to break! We will post everywhere the moment water is flowing, I promise!

Single axle utility trailers will be allowed in the park now. Keep the traffic light still to reduce damage to the roads.

You may have noticed that some leaves have disappeared, we don't have a leaf thief... we hired a Mark to come and take them all away. Some lots had branches that didn't get picked up, but they will be once the leaves have all been taken to the compost.

Since the store will be closed this season, we will be available to fill propane (between 9:00am-8:00pm) and grab bundles of firewood for you by appointment. We are requesting cashless transactions. Please contact us through facebook messenger or call us at 204-642-5671.

And remember, fires must be watched at all times. Since our water is still unavailable, you must have water nearby in case of an emergency. Let's take care of the beautiful forest we get the privilege to camp in! Also, until we have thawed water lines it's holding tanks only!!

**COVID-19: IF YOU OR ANYONE WITH YOU BEGINS TO FEEL ILL OR EXPERIENCES SYMPTOMS, RETURN HOME IMMEDIATELY**
