

# THE FIRESTARTER

TO PLANT A GARDEN IS TO BELIEVE IN TOMORROW ~ AUDREY HEPBURN

*Well, that might've been the nicest May long weekend we have seen in a very very long time. The weather was perfect. The northern lights were amazing and the people, as always, are outstanding! it was so great to see you all again. We are very excited for the summer and consistent beach days... although a lot of people took advantage of the great weather and went for a dip. Still a bit too chilly for me.*

*We are asking for just one more week of NO UTILITY TRAILERS please. Let us know if you need assistance in any way, we are always here to help.*

*The flowers will be planted soon, My mother always told me to wait until after June 1st... so of course I will listen to her advice and do just that. But we love seeing the park in bloom.*

## REMEMBER TO...

## The 'Sands Beach Cafe'

What a fantastic long weekend we had in the store! Our staff did an excellent job jumping back into the swing of things. We sold out of soft ice cream and almost all of our hard ice cream... we will get more though. All ice cream will be stocked up and ready Saturday!

And our chocolate soft ice cream is still on hold at the moment. But we are excited to get that going.
