

THE FIRESTARTER

July 25th, 2025

I TRIED TO ORGANIZE A HIDE-AND-SEEK TOURNAMENT, BUT GOOD PLAYERS ARE REALLY HARD TO FIND.

The weekend is here, and although rain isn't always the best beach weather, we certainly welcome the moisture with how dry everything was. The grass and the gardens will appreciate it.

We had a fantastic turn out for the Bingo last weekend. \$670 was raised through the lucky 7 50/50 game and individual donations. The money raised will go towards the Interlake Women's Resource Centre, a local non-profit organization that offers free counselling for individuals in the community in response to domestic violence or general well being. The centre is located on 87 5th avenue in Gimli. Donations are always welcome if you are unable to attend these events.

Thank you to everyone who attended and participated in the event. And a HUGE thank you to the Dupuis and Bloodworth families for organizing all of it. They have decided to have another Bingo on August 3rd!! So get those dabbers ready! That's going to be a fun one. Again, all money raised will be going to the Interlake Women's Resource Centre in Gimli.

PLEASE RECONSIDER HAVING A BONFIRE IF THE WINDS ARE GUSTING. ALTHOUGH IT HAS BEEN REPORTED THAT THE THREAT OF WILDFIRES HAVE DIMINISHED, IT IS NOT OUT OF THE REALM OF POSSIBILITY. ALWAYS HAVE A FIRE EXTINGUISHER NEARBY, OR A WATER SOURCE TO QUICKLY ATTEND ANY WANDERING EMBERS. OUR FOREST THANKS YOU.

potholes or speed bumps?

with the recent rainfall, there have been some new developments of potholes on the roads. Although these potholes are an annoyance, they do seem to be acting as somewhat of a speedbump and discouraging the hustle in the loops.

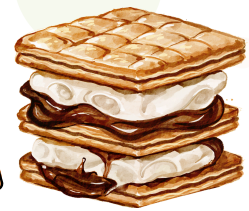

Fixing the potholes is on the list of things to be addressed, but.... damon does like that people are inclined to slow down more with their presence. So he might take his time making it a priority.

YOU DON'T SAY

In 2019, an Australian burglar broke into an office in Sydney, stole electronics, and in an absurd twist, accidentally left his printed resume behind on the office printer. Police used the document to quickly identify and arrest him.

The thief stole laptops and other equipment from the small business. While rummaging through the office, he printed copies of his resume (possibly to apply for jobs at the company he was robbing).

The resume included his full name, contact info, work history, and references. He did manage to secure an interview... with the police.
